--- 15's stencilled mimeographs on the light green 100 Cigarette NT-108 - "Issue of 1907" ---

Probably used as a WW II provisional for fifteen cigarettes, the following old stamps, both perforated 10¾ and with a mimeographed overprint on the green **NT-108**, use a 13 to 15 mm. black ink **15's**, plus a 3 mm. pica killer **CANCELLED** across the top. The 13 mm. overprint **NT-116** uses a 10 mm. horizontal bar above and below the overprint which shows a position dot, while **NT-117** (without the horizontal bars) and the 15 mm. overprint simply uses **CANCELLED** across the top.

NT-116 - **15** on 100 cigarettes, green, perforated 10¾, a mimeo 13 mm. overprint with bars, **CANCELLED** across the top

NT-117 - **15's** on 100 cigarettes, green, perforated 10¾, a mimeo 15 mm. overprint without bars, **CANCELLED** across the top

The collection *does not contain* a copy of **NT-115** - the similar ***14*** cigarette overprint. **WANTED!**
